

## **Sales position within expanding company - Shewee Ltd**

**Vacancy: Sales person** with opportunity to develop into sales team manager

Shewee Ltd is a small but rapidly growing company about to enter into an exciting expansion phase. Launched in 2005 the company has grown to provide products to retailers and distributors to over 10 countries worldwide.

Shewee is the core and original product that the brand is based on. Shewee is a revolutionary device which provides women with a simple, private and hygienic method of urinating whilst standing. 'Stand up and take control' is our motto which we promote with a current range of 6 products (with more in development).

We are looking for a sales person to join the team; someone who can step into this role, define it and increase sales.

This role would be perfect for someone who has gained several years experience in the corporate environment and now wants to take a leading role in a local company.

Someone with experience of being a medical sales rep or someone who has sales experience for selling or buying within the retail industry would be perfect.

Most importantly they will need to have a love of sales and experience of meeting targets along with entrepreneurial spirit and be naturally proactive.

Working alongside the Managing Director, the successful applicant would have the opportunity to develop and to deputise for the MD whilst also mucking in with anything that is needed from administration and ordering stock to representing Shewee at UK and overseas trade shows.

This is a real opportunity for the successful candidate to shape the role and be involved in growing the business.

The successful candidate will be an invaluable member of the team as we grow over the next year. They will be responsible for driving sales and could also have a key role in working with the Directors to shape the sales strategy of the company.

The new office is in Walton on the Hill, Surrey. There is the opportunity for the right candidate to start straight away and also to be able to develop their role to work flexible hours and/or part time.

A competitive salary and a comprehensive package of benefits will be offered to the successful candidate.

To apply please email or call Samantha Fountain for more information and a job description.

You will need to email a CV and covering letter detailing how your skills and experience qualify you for the role to [sam@shewee.com](mailto:sam@shewee.com).
